

A New Landmark in the Making

The new clubhouse at Gatineau Golf and Country Club was open to the public June 15, 2012. Combining classic architecture with state-of-the-art technology and modern conveniences, the 11,000 square foot "landmark in the making" offers year-round catering and casual/fine dining services in concert with complete facilities for weddings and other receptions, business meetings, conferences, and special events exclusively tailored to meet most any need. The clubhouse includes the following amenities:

- Change areas for men and women, including lockers and showers
- 2,500 sq/ft indoor banquet/dining room with capacity for 200 guests
- 1,400 sq/ft golfers' lounge with fireplace, bar and outdoor covered patio
- Large, covered patio extending from the indoor banquet/dining room
- Expansive, open-air terrace with spectacular view of the 18th green
- Full-service kitchen and bar
- Pro shop
- Grand entrance and lobby with seating area and fireplace
- Covered, semi-circular driveway catering to drop-offs
